

The heatmap displays a 27x42 matrix. The x-axis is labeled with indices 1 to 42, and the y-axis is labeled with indices 1 to 27. The color scale ranges from light blue (low values) to dark blue (high values). The matrix shows a block-like structure with higher values concentrated in the top-right and bottom-right quadrants, and some scattered high values in the top-left and middle-left areas.
